Dear Parents and Community Members:

Re: Sponsorship of the ECSS Totem Award

We are writing to you on behalf of the ECSS School Council hoping to seek your financial support of our annual "Totem Scholarship Award". Each June, the School Council has been very proud to present a \$1,000 scholarship to one deserving Grade 12 student.

The spirit of the award is all encompassing. It takes into consideration the student's achievements at many levels; academic, extracurricular, volunteering, employment, leadership and initiative. As well, each student is asked to provide three reference letters and proof of enrollment to a post-secondary educational institution.

Our three top tier sponsorship levels are: GOLD, SILVER, and BRONZE. Please see the attached flyer for a full description of each level. Your sponsorship will be recognized in our annual yearbook (with a circulation of a student body of 1,400), and/or in our Grade 12 Graduation program, depending on your level of sponsorship. Additionally, we would be most pleased to accept personal contributions from parents and other community members. Kindly make cheques payable to Emily Carr Secondary School and forward to the attention of the School Council at the address included in the letterhead above.

Tax receipts for all donations of \$25 or more will be provided. Each sponsor reserves the right to withhold or disclose name recognition.

Thank you in advance for recognizing how individuals and companies such as yourselves can encourage student post-secondary success through financial support.

Sincerely,

Lorie Dolan, Co-Chair ECSS School Council
Franca Caravaggio, Parent Member ECSS School Council
